

BUILDING COMMUNITY STARTS WITH YOU

At KVHH, we believe everyone deserves a safe, affordable place to call home.

Our work is made possible through the dedication of volunteers and the generosity of donors. Whether you lend your time or contribute financially, you help us build strength, stability, and self-reliance for families across our community.

VOLUNTEER OPPORTUNITIES

NEW AND REHAB BUILD PROJECTS & CRITICAL HOME REPAIRS

Support our construction efforts by helping with framing, painting, landscaping, and other hands-on tasks that enhance the safety and quality of homes for local families, veterans, and older adults.

- No experience needed. Volunteers must be 16+
- Opportunities available Tuesdays, Wednesdays, and Thursdays from 8:30 AM–3:30 PM
- Maximum of 10 volunteers per shift.
- Weekly volunteers are especially needed, but any time is appreciated!

RESTORE SUPPORT

Assist at our ReStore by organizing donations, loading and unloading donations, helping customers, cleaning, and stocking. Your support helps generate revenue for our homebuilding programs.

- Volunteers must be 18+
- Ideal for individuals or small groups (2–3 people)
- Flexible scheduling available

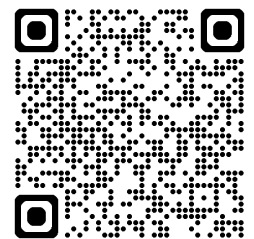

HABITAT AMBASSADOR

Share our mission with the community as a KVHH Ambassador. You'll attend local events, assist with office tasks, host info sessions, and inspire others to get involved.

- Volunteers must be 18+
- Must have reliable transportation for outreach events
- Training and materials provided

If you aren't able to volunteer, we would be honored to accept a donation to help further our mission. Every hour volunteered and every dollar donated brings a family one step closer to safe, affordable housing.
